Vehicle Storage

If you are parking your vehicle in your assigned contract facility for five consecutive calendar days or more, please email PTS with vehicle specifics: license number, make/model, color, exact location in facility (in ramps and garages, the specific stall location is indicated on the pillars) and an emergency contact name/phone number of someone with keys to vehicle if it needs to be moved. Keycards for Access

To avoid a forgotten keycard issue, consider purchasing a duplicate keycard for a one-time, non-refundable fee of $12 at the PTS customer service desk (open Mon – Fri, 7 am – 5 pm).

If you forget your keycard, follow these steps:

1. Pull a ticket to enter your contract facility. If it does not have a ticket dispenser, call PTS customer service and you will be directed to an alternate facility for the day. Then follow Step 3.

2. Call PTS customer service at 612-626-PARK (7275) prior to exiting (as soon as possible is best) to inform the customer service representative.

3. Customer service will verify that your contract is active and give you a control number to print on the back of your ticket. Upon exiting the facility, hand the ticket to the parking attendant. If there is no attendant, then push the silver “Press for Help” button on the Exit Payment Station and a staff member will assist you.

Hangtag Permits

Always display the printed side of your hangtag facing out towards the windshield.

Hangtags may be transferred to any vehicle you park at the University. Minnesota State law requires hangtags be removed while driving.

If you forget your hangtag permit, call the PTS office at 612-626-PARK (7275) immediately and request a “no-tag.” For lost hangtags, you must come to our office to purchase a replacement.

Cancelling a Contract

You may cancel your contract at any time. The hangtag/keycard must be received in our office to consider the parking contract cancelled. Refunds for accounts with credit balances will be processed after the hangtag/keycard is received by PTS.

• Cancel ONLINE: z.umn.edu/cancelpark (10 day notice required)

• Walk-in cancellations can be immediately processed by turning in the hangtag or keycard.

• Mail the hangtag/keycard to the PTS office (address below).

You may contact customer service to request a postage-paid return envelope.

Where Your U of M Parking Fees Go

PTS is a self-supporting department. Your contract parking fees go to the operation of University parking facilities including daily maintenance; annual structural inspection/repairs; and safety features including security cameras, panic alarms and optimal lighting.

Impact of Gopher Football on East Bank Campus Parking

• On football Saturdays, most faculty and staff with East Bank parking contracts are no longer required to relocate to East River Road Garage.

   Contract holders who are still required to relocate are:

   • 2221 University Ave. Garage
   • Discovery Lot
   • Gateway Lot
   • Gold Lot
   • Gopher Lot

   These contract holders are required to relocate vehicles to East River Road Garage BEFORE MIDNIGHT prior to gamedays. For example: on Friday, Sept. 15, all vehicles must be out of the Gopher Lot before midnight for the Saturday, Sept. 16 game. Any vehicle remaining in one of these parking locations is subject to tag and tow.

• If PTS needs to re-locate other facilities, it will communicate directly to impacted contract parkers on a game-by-game basis.

• Reciprocal parking privileges on game day Saturdays are allowed in Lot C89 (West Bank) and Gortner Avenue Ramp (St. Paul) for East Bank HANGTAG parking contracts. Also, reciprocal privileges are allowed in 21st Avenue Ramp (West Bank) and Gortner Avenue Ramp (St. Paul) for East Bank KEYCARD parking contracts.

• West Bank and St. Paul contract parkers remain in their usual parking facility.

• Exception requests must be submitted to and approved by appropriate collegiate dean or vice president. Approved requests must be sent to PTS at least five business days prior to the requested date. PTS will respond based on space availability.

Reciprocal space is not guaranteed, especially when event rates are in effect.

Motorcycle Parking/Contracts
Motorcyclists are welcome in public parking facilities at the posted parking rate.

Employees with an active parking contract in a surface lot may park a motorcycle in their assigned lot by adhering to a free sticker obtained from PTS (ONLY VALID IN ASSIGNED LOT).

Motorcycle stickers are issued on an annual basis. Contract holders in facilities with keycard access must use their keycard to enter and exit. Motorcyclists should use a regularly-marked stall.

Motorcycle-only contracts are available from PTS on a first-come, first-serve basis. Seasonal locations are valid through November 30. Locations are limited after November 30. The 2017 rate is $168 per year (pro-rated).

Special Request Reciprocal Parking
In certain instances, access may be given at locations not included in the regular reciprocal parking program for teaching or research purposes. Please e-mail a request including the reason, days and times you need it, building name where you will be teaching, and your current contract to parking@umn.edu. Requests must be renewed on a semester basis, depending on the situation.

These arrangements are NOT valid on football Saturdays.

Carpool Contracts
Staff/faculty members with a current parking contract can register as a carpool with PTS and receive a second hangtag or keycard (only one may be used at a time). Eligibility and names of carpoolers are verified and renewed annually. Carpool riders can only belong to one carpool. Carpool contracts are NOT transferable. To register, call or visit us online at umn.edu/pts.

PTS provides ride matching and the Guaranteed Ride Home Program to carpoolers. Visit metrotransit.org or call 651-602-1602.
