Due to the COVID-19 pandemic, Maple Grove Transit is operating reduced bus service. The Route 789 service from the Maple Grove Transit Station to the University of Minnesota (U of M) is currently suspended and will likely remain suspended until spring 2021.

If you need to travel via bus from Maple Grove to the U of M, consult our Rider Alerts page to view the current Route 781 service from the Maple Grove Transit Station to downtown Minneapolis. To complete your trip, you will then need to transfer to Metro Transit’s METRO Green Line or Route 3. For details on these Metro Transit service options, contact them at 612-373-3333 or www.metrotransit.org. The UPass, GoTo Cards, Metro Pass, and cash are accepted as fare payments for the Route 781.

As of August 2020, reduced service was being offered on the Route 781. Effective September 14, Maple Grove Transit expects to operate the full Route 781 schedule that serves the Maple Grove Transit Station. Riders should consult our Rider Alerts page for details. However, the Route 781 schedule could get reduced later in the fall season dependent on ridership demand.

A face mask or covering is required while waiting inside the Maple Grove Transit Station and riding the Route 781 buses. For the latest U of M COVID-19 updates, visit their Safe Campus page. Please check the Rider Alerts page on a regular basis for updates on Maple Grove Transit COVID-19 policies and service levels.
